Sir,

In submitting herewith two Estimates one for Rs 199-0-0 on account of the cost of belts and another for Rs 60 on account of the cost of clocks, I have the honor to inform that the belts supplied last during 1895 to the inferior servants of the Deputy Commissioner and the Joint General Assistant Commissioner's office at Hassan and of Manjarabad Taluk a-

also

also those supplied in 1896
to the inferior servants of the
Revenue Sub-Division office are
in the Despin are all worn out
and of extreme shabby appearance.
2 — During no clothing
been supplied to the municipal
Salvage Lutchery and only a —
complete worn out and useless
one being available at the
Asylum Salvage Lutchery which
was received second-hand
from the old Arabic Depart-
-ment some fifteen or sixteen
years ago, much inconvenience
is felt in both the above —
Lutcheries for transacting —
business punctually and correct

ly

time

fever cannot be struck on the Ghauts. These places are very often visited by European and Native Planters and other gentlemen on business and the entire absence of a clock at the municipal Talook Cutcherry necessitates the very early duffs of one there. —

3 — The Revenue Sub-division officer, Sattenpir, in anticipation of Government sanction was obliged to have belts made for the Duffedar and Peons of his office at a cost of Rs 32—8— as being frequently exposed to monsoon rains, the old belts had became quite rotten and worthless.

4 — Under these circumstances I beg that you will kindly obtain Government sanction to the cost of belts as per enclosed Estimate amounting to Rs 199-0-6 and to the cost of two clocks as per Estimate enclosed amounting to Rs 60, the former being met out of Rs 200 available under the head "Brass plates for peons belts" and the latter out of Rs 39-6-8 available under the head "Purchase and repair of Office furniture" in the current year's Budget.-

I have the honor &c,

Your most obedient servant
